

GC and its uses in the modern analytical laboratory 28th & 30th June, Reading & Manchester

Hichrom Limited & Thermo Scientific are pleased to invite you to one of two GC Seminars taking place at the Madejski Stadium, Reading on the 28th June and at the Radisson Blu Hotel, Manchester Airport, on the 30th June.

These days will be of great interest to all those who are involved in Gas Chromatography in the modern analytical environment and wish to expand their knowledge or simply want to keep up-to-date with the latest developments in GC.

A series of talks will look at important application areas in the **petrochemical** industry and the **environmental** industry and the day will also include talks on **GC troubleshooting, GC method development** and **Sample Preparation techniques used for GC**. There will be ample opportunity for discussion and questions with experienced technical representatives from both Thermo Scientific and Hichrom Limited. Additionally, if there is a particular GC/SPE topic that is of particular interest to you, and you would like to hear more about this topic on the day, then please let us know using the fax-back registration form.

The cost of these seminars is £135, which includes all refreshments, lunch and a comprehensive course manual. Discounts may be available if booking multiple places – please enquire. To book simply complete the fax-back form and return to Hichrom Limited on 0118 932 3414.

Agenda

09.00 - 09.20	Registration & Coffee
09.20 - 09.30	Welcome & Introduction
09.30 - 10.15	Overview and History of GC
10.15 - 11.00	Sample preparation techniques used for GC
11.00 - 11.15	Coffee Break
11.15 - 12.15	Method Development in GC
12.15 - 13.15	Lunch
13.15 - 14.00	GC Analysis in the Petrochemical Industry – recent innovations
14.00 - 14.45	GC Applications for Environmental Monitoring
14.45 - 15.00	Coffee Break
15.00 - 15.45	Troubleshooting in GC
15.45 - 16.30	Open forum discussion/Close

On this day we will aim to cover the GC and SPE topics that are of interest to you. Therefore, the course agenda may be adjusted slightly on the day to allow for this.

**Hichrom Limited, 1 The Markham Centre, Station Road, Theale, Reading, Berks. RG7 4PE.
Tel: 0118 930 3660, Fax: 0118 932 3414, email: sales@hichrom.co.uk**

Fax-Back Registration Form: GC in the modern analytical laboratory 28th & 30th June

To book your place on one of these two courses simply complete the details below and fax-back to: 0118 932 3414

I would like to attend the following GC Seminar:

- 28th June 2011 @ The Madejski Stadium, Reading (£135)
- 30th June 2011 @ Radisson Blu Hotel, Manchester Airport (£135)

Title _____ First Name _____ Surname _____
Company _____
Department _____
Address _____

Postcode _____
Tel _____ Fax _____
Email _____

(Please photocopy this form as required. Discounts may be available if booking multiple places – please enquire).

Signed.....

I would be interesting in hearing about the following topics/areas on the day:

I can't make this seminar but please inform me about future seminar events:

Please send me further details on Thermo Scientific GC columns and supplies:
